

What is the Sherborne St John Neighbourhood Plan?

Neighbourhood Plans are a way for communities to decide the future of the places where they live and work. The Sherborne St John Neighbourhood Plan sets out a vision for the parish and planning policies which will be used to determine planning applications locally and guide development in the parish up until 2029.

There has been a previous round of public consultation on the draft Sherborne St John Neighbourhood Plan organised by Sherborne St John Parish Council during April-May 2016. Now that the Plan has been submitted to Basingstoke and Deane Borough Council it is the final opportunity to have your say on this document before it is considered at an independent examination.

What is the next stage in the Plan's preparation?

The Sherborne St John Neighbourhood Plan will be published for a 7 week period of consultation. During the publicity period Basingstoke and Deane Borough Council, in consultation with Sherborne St John Parish Council will appoint an independent person through the Neighbourhood Plan Independent Examiner Referral Service (NPIERS) to examine the plan.

How will the Plan be Examined?

Neighbourhood Plans are examined against five key tests, referred to as Basic Conditions (as set out in the Localism Act 2011). These are as follows:

- Does the plan have regard to national policies and advice contained in guidance issued by the Secretary of State?
- Does the plan contribute to the achievement of sustainable development?
- Is the plan in general conformity with the strategic policies contained in the development plan for the borough of Basingstoke and Deane?
- Does the plan not breach, or is otherwise compatible with, EU obligations?
- Does the plan meet and comply with prescribed conditions, i.e. it is unlikely to have a significant effect on European sites?

What can I comment on at this stage?

At this stage you can comment on any element of the plan and supporting documents and whether the draft Neighbourhood Plan meets the Basic Conditions. It is, however, important to remember that the examiner will only be able to recommend changes to the plan necessary to ensure that it meets the basic conditions.

When making comments you can request that you are notified of the examiner's report and of Basingstoke and Deane Borough Council's decision under Regulation 19 of the Neighbourhood Planning (General) Regulations 2012 (as amended) to 'make' the Sherborne St John Neighbourhood Plan following a community referendum on the Plan. Once a Neighbourhood Plan is made, it will become part of the local area's Development Plan and have the same status as the borough's Local Plan.

How long do I have to comment on the consultation?

The consultation runs for seven weeks, from **28 November 2016 until 4pm on 16 January 2017**.

A summary of the responses made to the pre-submission consultation are included in the Consultation Statement and Appendix c) submitted with the plan. As a result the examiner will be aware of those comments, so you do not need to repeat the comments already made, although you may if you so wish. Also, if any changes that have been made to the plan since the pre-submission consultation raise new issues or affect the points you made last time, please send in further comments.

What happens next?

At the end of the publicity period any comments received will be passed on to the examiner who will then carry out independent examination on the neighbourhood plan. The examiner will consider whether the plan meets the Basic Conditions or whether any changes need to be made in order to improve it. The examiner will recommend to Basingstoke and Deane Borough Council if the plan should proceed to a referendum.

Should I respond as an individual or as part of a group?

Where there are groups who share a common view on the Plan, it is helpful for that group to send a single representation which represents their views, rather than for a large number of individuals to send in separate representations which repeat the same points. In such cases the group should indicate how many people it is representing and how the representation has been authorised.
