

The Neighbourhood Plan is under way – we have reviewed the information from our Launch Day earlier this year, we are gathering information from local organisations (may be this involves you!) and forming what is called the Evidence Base for the document.

The all-important Questionnaire for ALL to complete will follow later this year.

This month we are launching our Young Persons' Challenge – see the details in this Villager – to find out what young people think about Sherborne St John and what visions they have for the future. So, if your 18 or under please join in; if your 19 or over please encourage your younger friends and family!

The Steering Group is always looking for anyone interested to get involved with the Plan. If that's you – please contact the SSJPC Clerk, Mrs Penny Mayo (ssjclerk@gmail.com).
