

SHERBORNE ST JOHN NEIGHBOURHOOD PLAN STEERING COMMITTEE

Minutes of the Neighbourhood Plan Committee Meeting at 7.00p.m on Monday 23rd May 2016 at the Old Post Office
Kiln Lane

Present: Julian Crawley Chairman Natasha Rougier
 Richard Morgan Penny Mayo - Admin

12.16. Apologies for Absence

Apologies were received from Mike Harrison

The meeting was conducted without a formal agenda. The business of the meeting was to review the comments received during the consultation period when the Draft Neighbourhood Plan and Baseline Evidence Report was sent to Matt Melville, BDBC, Brian Wilson, Consultant, statutory consultees, residents, business and other interested parties.

The Committee went through the detailed responses and comments received from Matt Melville, BDBC, and Brian Wilson noting where amendments needed to be made to the Draft Plan & additions needed in the Baseline Evidence Report.

It was noted that Site Assessments for all the original sites were needed to be checked ready for inclusion.

A meeting was due to take place on Wednesday 25th May between Julian Crawley and Natasha Rougier with Matt Melville, BDBC, to discuss some issues, strategic gap, open spaces map (from BDBC) and the position of any offered shop on the Rydon site. *This meeting did not take place due to illness.*

The Administrator pointed out that with the new grant received that the Committee had the funds to engage Brian Wilson to carry out all the amendments/re-drafting necessary and to develop the Consultation Log ready to submit to the Sherborne St John Parish Council for review prior to formal submission to BDBC.

It was agreed to engage him to carry out this work. The Administrator will contact him and arrange to supply all the documentation he may need.
